This Half Term's Value - Respect

'Phrases of Faith

'Luke 6:31: And as you wish that others would do to you, do so to them.'

Dear Parents and Carers,

I hope this letter finds you well! As we approach the end of another busy week, I wanted to take a moment to update you on some important information and share a few recommendations regarding our upcoming newsletter.

Our newsletter serves as a great way to keep you informed about what your children have been up to in school, upcoming events, and any important notices. We are excited to showcase the various achievements and activities of our students, as well as highlight ways you can get involved!

In each newsletter, we feature fantastic highlights from each class, so please encourage your child to share their experiences with you. It's always wonderful to see their enthusiasm and pride in their work! If there are any key dates or events you believe should be included, do let us know!

In addition to our usual content, this edition will include some tips on how to help your child manage conflict effectively. We understand that as children go through life, they will inevitably come into conflict sooner or later. These disagreements can range from seemingly minor squabbles to far more serious disputes, and dealing with them in an effective, mature manner is an absolutely vital skill – one that takes some time and effort to cultivate.

In children and young people's formative years, it's incredibly important for parents and educators to know how to teach them conflict resolution, as well being able to model this skill effectively. This week's guide offers expert advice on helping youngsters avoid unnecessary conflict and supporting them in finding solutions when clashes arise.

So to conclude, please do keep an eye out for the newsletter, and encourage your child to share their thoughts and any achievements. Our students' insights are valuable, and they love seeing their work showcased! Additionally, I would like to remind you to check our school's website regularly, as this is where the newsletter will also be published.

As always, thank you for your ongoing support and involvement in our school community. If you have any questions or suggestions for the newsletter, please do not hesitate to reach out.

Best wishes, Mrs S. Henney

Important Dates
and INFORMATION

SEPTEMBER

- Monday 23rd F1 in schools for Years 5 and 6, 3.15pm – 3.45pm, with Mrs Jones from Moreton Say School – please book via school spider
- Tuesday 24th Guitar lessons with Mr Tomkins

This week's Star Pupils!

Chestnut Class: Harley D - For showing great learning behaviours and following our class rules

Oak Class: Matilda – for her determination and always trying her hardest

Class News...

Willow Class

We have had yet another wonderful week in Willow Class. It was the beginning of our learning centred around The Gingerbread Man. We started the week with some mysterious floury footprints and completed lots of exciting gingerbread themed activities. We even got to make our own delicious gingerbread! We have also done lots of painting, drawing and playdoughing gingerbread men, as well as listening to the story most days. We have enjoyed music with Mrs Newman again this week, and our afternoon in the Forest School on Friday. We also got to meet two new classmates: Evelien and Jack! Welcome to Willow Class 😊

Mrs Travis, Mrs Tearle and Mrs Thomas

Chestnut News:

Another great week for the children in Chestnut class! The children have enjoyed exploring their new topics for learning and shown great enthusiasm for learning.

In Literacy, the children have been exploring poetry and have written poems and riddles all about themselves. Next week we will be reading them to the children in Oak Class to see if they can guess who each poem is about.

In Maths, the children have started to learn about the place value of numbers and we have really focused on the composition of numbers between 1 and 20.

In Science this week the children went to the forest to learn more about the different layers of our forest, and we discussed what animals we might find in each layer.

In Design Technology, the children have been working with Mrs Von Dinther to plan and design their own fairground wheel.

Miss Archer and Mrs Barber

Oak class Forest School

Oak Class have really enjoyed their Forest School sessions with Miss Archer over the last couple of weeks. The theme for our forest school sessions this half term is decay and recycling. In the first session, the children learnt all about nature's decomposers and spent time in the forest searching and identifying them. We have a wonderful variety of fungi growing in the forest at the moment. This week, the children learnt all about composting and how we can recycle natural material. The children have started building compost bins in the forest, using pallets. We are beginning to think about how we can introduce this idea across the whole school to become greener and more eco-friendly.

Miss Archer

PTA Meeting

On Wednesday 9th October our PTA will be holding their first meeting of the year. The meeting will take place in school 3.15 – 4pm. They would like to invite volunteers old and new to join them for a cup of tea and a chat. During the meeting we will be discussing future events and fund-raising ideas. It would be lovely to see as many people as possible.

Play leaders training

On Monday, the children in Year 5 and 6 took part in play leader training led by George our PE coach. The children learnt lots of games that might be useful for when they start to lead a club or organise a game. The children in Years 5 and 6 have now taken responsibility for a club at break times, this includes dance, card game, circus skills, football and skipping. The year 6 children have also taken responsibility for organising the play equipment at lunchtime.

McMillan Coffee Afternoon

On Friday 27th September at 3.30pm, the Adderley PTA would like to invite all of our school community and also friends and family wider afield to join us at the Adderley Village Hall for an afternoon of coffee and cake in support of the McMillan Coffee morning. As you may be aware, this is a cause that is very close to our hearts in many ways. This is a wonderful way to show our support and appreciation for such a supportive and vital charity. The PTA are also looking to put together a hamper/package of love and support for Mrs Jones. Please see a member on the PTA or school staff if you would like to donate towards this. We hope to see you there! Any cake donation would be greatly received!
